

Siren Interactive Sponsors the Third Annual Healthcare Connections Networking Event

June 15th, 2007

Siren Interactive was the leading sponsor for this year's Healthcare Connections 2007 networking event at Beyond the Ivy.

The event featured over 75 attendees from 35 healthcare companies. **Demand for the event exceeded all expectations** and the attendees considered it a resounding success. The crème de la crème met and mingled with peers from the Midwest's top Healthcare and Life Science companies, and even though the Cubs lost, **participants enjoyed** both the **networking opportunities**, and the new event facility. The sponsors would like to thank everyone who attended for making Healthcare Connections 2007 such a success.
